Poly Mailer Y43

Material colour	white, black or transparent
Colour space	PANTONE
Print areas	front + back
Outside dimensions	17.5 x 25.5 cm

1. We don't print pastel, neon and metallic Pantone® colours, except of Gold (871 C) and Silver (877 C).

2. Use only one Pantone® colour per side in your design.

3. Please note that due to less saturation, the print on black Poly Mailer is only possible in the three Pantone® colours: white, gold (871 C) or silver (877 C).

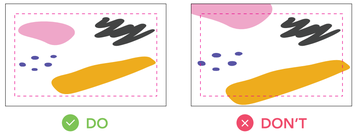
Your checklist

For best quality and smooth production make sure that your design meets our specification and use our checklist.

- [ ] **Graphics**
  The design should contain vector graphics (preferred format) or/and embedded bitmap graphics with resolution over 300 dpi.
- [ ] **Colours**
  Use only PANTONE® colour palette.
- [ ] **Lines & Text**
  The lines should not be thinner than 0.5 pt.
  The text size should not be smaller than 12 pt.
  Make sure all texts are converted to outline before uploading file.
- [ ] **Printable Area**
  Design should be placed within designated printable area and it cannot be exceeded.
- [ ] Printable area



PLEASE DO NOT MODIFY THE DIELINE IN ANY WAY.
