Poly Mailer Y80

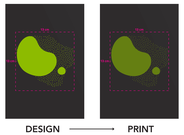

Material colour	white, black or transparent
Colour space	PANTONE
Print areas	front + back
Outside dimensions	35 x 45 cm

1. We don't print pastel, neon and metallic Pantone® colours, except of Gold (871 C) and Silver (877 C).

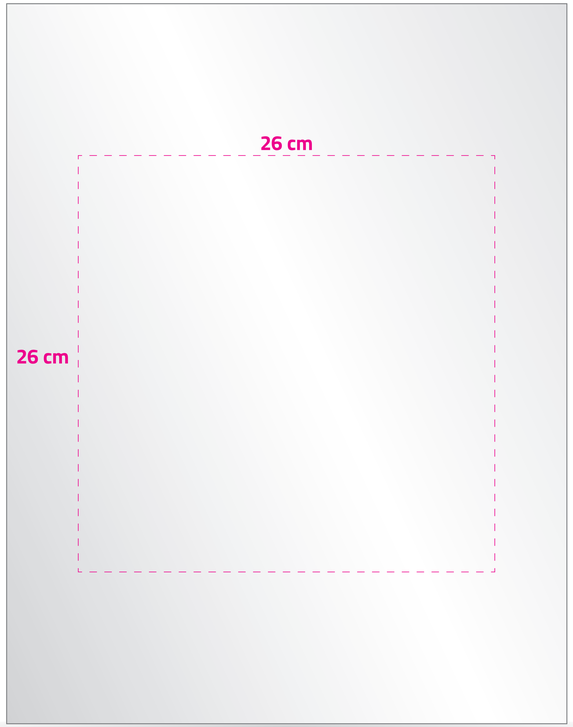

2. Use only one Pantone® colour per side in your design.

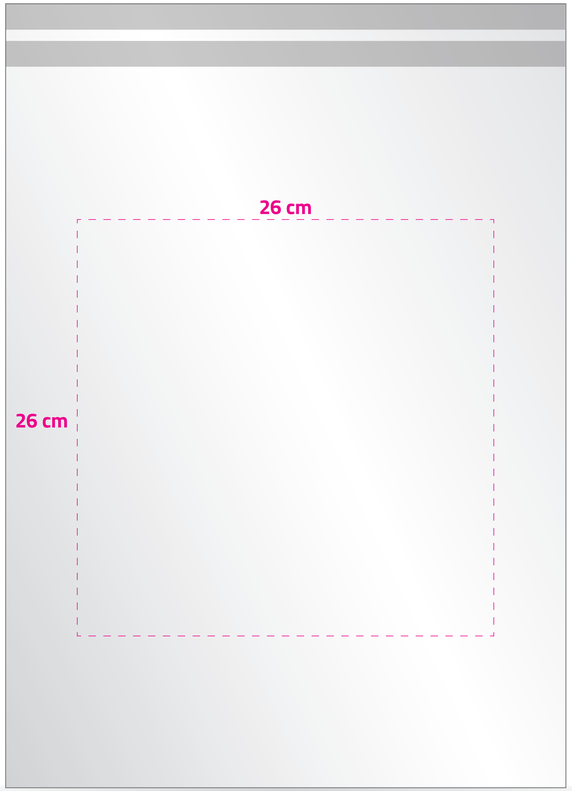

3. Please note that due to less saturation, the print on black Poly Mailer is only possible in the three Pantone® colours: white, gold (871 C) or silver (877 C).
